Mr. Grisham:

The Region has evaluated your request in the attached email. Your request for "each and every item in all six (6) indices" will be treated as a second FOIA request effective today. In accordance with FOIA requirements, the Region will require 20 or more days to process this request because of the voluminous documents that are contained in the indices.

Please reply to all with your understanding of this email.

Thank you,

Derek,

I would like everything that exists in electronic format please i.e. each and every item listed in all six (6) indices forwarded to me by Ms. Moran.

Please let me know if that will be a problem. I will pay in advance for the hard drive or drives that will likely be required to fit all the data. Please let me know how you would like to handle it.

Thank you.
